PHYSICAL EDUCATION | ATHLETIC COACHING | HEALTH

## 72ND ANNUAL CONFERENCE

PEACH strives to promote interest and professional advancement opportunities for teachers, athletic administrators and coaches. It's a hands-on workshop that supports the upgrade of physical education, coaching and health programs through presentations of trends and exemplary teaching techniques. With Common Core and California Standards at the center of our program; we make every effort to provide both traditional and non-traditional fitness activities. PEACH delivers information and examples of the latest innovations in physical education, coaching and health. Attendees will have an opportunity for continuing education, staff development and self-improvement.
